purpose of data processing

We process personal data for the following purposes:

- Operating and maintaining the website
- Responding to inquiries
- Managing client projects (film & photo production)
- Communication and collaboration
- Security and technical stability
- Statistical analysis and improvement of services
- Legal compliance

cookies & tracking technologies

We use cookies and similar technologies to:

- Ensure website functionality
- Improve user experience
- Analyze website traffic
- Optimize content and performance

Users may disable cookies in their browser settings at any time.

third party services

We may use third-party services, including:

- Google Fonts
- Google Maps
- YouTube
- Google reCAPTCHA
- Hosting and analytics providers

These services may process technical data such as IP addresses.

data sharing

Personal data is only shared when:

- required by law
- necessary for contract execution
- required for technical service providers (processors)
- explicitly authorized by the user or client

data retention

Data is retained only as long as necessary for the intended purpose or legal obligations.

data security

We implement appropriate technical and organizational measures to protect personal data against:

- unauthorized access
- loss
- misuse
- alteration
- disclosure

your rights

You have the right to:

- access your personal data
- request correction
- request deletion (where legally applicable)
- restrict processing
